- **Common Value** (Integer): The customary or typical value of this service for a single unit.

### NOMS Info

- **Consumer Education Level** (Integer): Indicate consumer's highest level of education completed (This should be the current grade level, for school-age children who attended school anytime in the past three months.)  
**0 = No formal schooling**  
1 - 12 = First Grade - High School Graduate/GED  
13 = 1 Yr of College Completed  
14 = 2 Yrs of College Completed/2 Yr Associate Degree  
15 = 3 Yrs of College Completed  
16 = 4 yrs College Graduate/Bachelor's  
17 = Graduate Degree/Master's  
18 = Doctorate Degree  
21 = Vocational School  
**23 = Nursery School/Pre-school (including Head Start)**  
**24 = Kindergarten**  
**25 = Self-contained Special Education Class (no equivalent grade level)**
- **School Attendance Status** (Integer): Required for children ages 3-17  
1 = Yes, consumer has attended school at any time in the past three months  
0 = No, consumer has not attended school at any time in the past three months  
-3 = Not applicable (use for infants and adults)
- **Housing Category** (Integer): Permanency refers to whether or not the place where the individual lives is intended to be a permanent place of residence.  
**1 = Permanent Housing** - The place where the consumer lives is either owned or leased (with or without a housing subsidy or other supports) by the consumer, family, or friend and is intended to be permanent tenure.  
**2 = Temporary Housing** - The place where the consumer lives is intended to be transitional or temporary and would include "shelters, hotels/motels and with family/friends on temporary tenure if the stay is greater than three months," substance abuse treatment facilities, foster home, children's residential treatment facilities, safe havens, and other transitional residences.  
**3 = Institutional Housing** - The place where the consumer lives is an institution such as a state psychiatric hospital, nursing home, other psychiatric or medical hospital, jail, prison, juvenile detention facility, or psychiatric residential treatment facility.  
**4 = Homeless** - This category would include homeless as defined in DARMHA manual for Living Situation and ROLES. It also included places not meant for human habitation.

- **Housing Stability** (Integer): Approximately how long has the consumer been living in the Housing Category (permanent, temporary, institutional, homeless) identified?
  - 1 = Less than 6 months
  - 2 = 6 months to one year
  - 3 = One to two years
  - 4 = More than 2 years

**Next Two Fields required if Housing Category is “Permanent” or “Temporary Housing.”**

- **Level of Residential Support** (Integer) – For purposes of this data field, residential support refers to the level of support provided within the residential setting where the consumer lives. Identify level of support being provided to consumer in order to maintain this category of housing:
  - 3 = Not applicable (if Housing Category is not 1 or 2; list as -3)
  - 1 = Residential Support not needed or not provided – consumer lives alone or with others of his/her own choosing (such as spouse, family, friends)
  - 2 = Living with person(s) who provide supportive services in the home that are needed by the consumer in order to maintain the living situation. Services may include housekeeping, meals, companionship and may include family and friends)
  - 3 = Access to paid support in the consumer’s residence as needed
  - 4 = Access to paid support in the consumer’s residence 5 or more days per week for up to 8 hours
  - 5 = Access to paid support in the consumer’s residence 5 or more days per week for 9 to 16 hours
  - 6 = Access to paid support in the consumer’s residence 24 hours a day, 7 days per week.
- **Level of Community Integration** (Integer): For purposes of this data field, community integration refers to the degree to which the consumer’s living environment is segregated from persons who do not receive mental health/addiction treatment. (In decreasing order of level of integration.)
  - 3 = Not applicable (if Housing Category is not 1 or 2; list as -3)
  - 1 = Living environment is fully integrated in the community
  - 2 = Living environment is home to persons with mental health/addiction issues, persons with other disabilities, and persons without identified disabilities.
  - 3 = Living environment is home to persons with mental health/addiction issues only.
- **Homeless Services** (Integer) – Required if Housing Category is “Homeless”
 

Identify frequency of assistance being provided to consumer in order to work towards acquisition of housing:

  - 3 = Not applicable (if Housing Category is not 4; list as -3)
  - 1 = Daily
  - 2 = Weekly
  - 3 = Monthly
  - 4 = Less frequently
  - 5 = None
  - 6 = Consumer refuses assistance

Agreement Type Info

- SOF Indicator question no longer used.

**In addition, there will be duplicate record validation for diagnosis, NOMS, EBP and agreement type records.**
